

Patient Testimonials

I am a CMH employee and use the pharmacy often. Service is always fast and friendly. Staff are efficient and knowledgeable. OTC meds are very reasonable and they can order just about anything for you. Having the pharmacy in the Jolly building is convenient.

Jo Anne

I have been using this pharmacy for years. They go above and beyond to meet my needs. I recommend them to everyone!

Drew

About Us

Local. Compassionate. Connected.

Since 2011, our pharmacy has served the patients and staff of Clinton-Eaton-Ingham Community Mental Health Authority.

We work closely with CMH providers to provide the highest level of care.

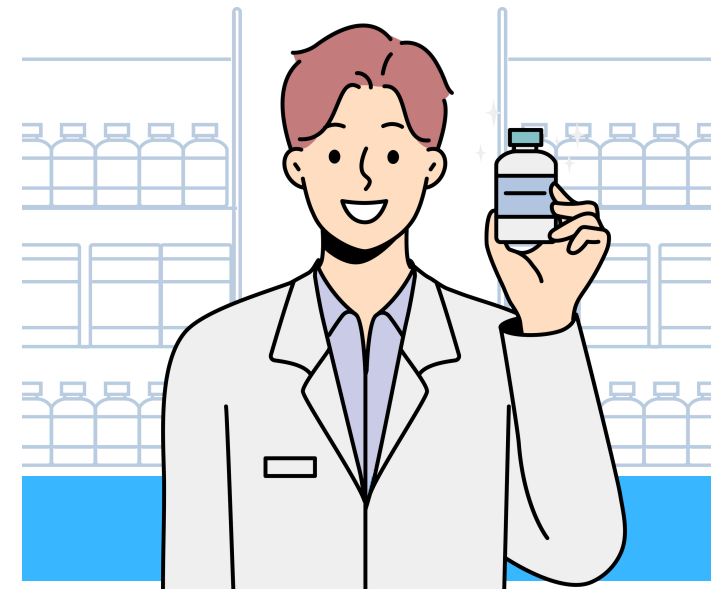

Our pharmacy team is committed to providing you with professional, efficient, and compassionate care.

HENRY FORD HEALTHSM

SERVING CEI-CMH SINCE 2011

HENRY FORD PHARMACY

***Your Trusted Pharmacy -
Right Inside CEI-CMH***

Why Choose Henry Ford?

Professional Medical Staff: Experienced pharmacy technicians and pharmacists

Strategic Location: Located within the CMH building, making picking up your prescriptions after an appointment easy

Fast and Efficient Service: Our team works hard to get your medications to you safely and efficiently

Here When You Are: CMH employees can easily pick up prescriptions before work, during lunch, or after work

Affordable: We are proud of our highly competitive over-the-counter medication pricing. We offer a discount on prescription medication for those without insurance.
