PERFORMANCE INDICATORS AND OBJECTIVES

The performance of the Provider, as well as compliance with contract standards, shall be monitored on an ongoing basis by a representative(s) of the Payor in conjunction with the Provider. The representative shall be available to communicate with the Provider on any contractual issue. Also, the Payor's CEO, or designee, shall assign a support coordinator who shall maintain regular contacts with the Provider and the consumer as noted in the consumer's Person-Centered Plan.

Quality and Competency Monitoring of the provider shall occur minimally on an annual basis. The areas of monitoring may include any or all of the following. This listing is not intended to be all-inclusive.

- Quality Improvement (Staff knowledge of organization, Staff knowledge of PCP's, Customer Satisfaction Surveys, Consumer opportunity for suggesting improvements.)
- Recipient Rights (Posters, forms, booklets, and rules available as required; Agreements to follow CMHA-CEI policies and procedures in place; Recipient Rights reports, including Incident Reports and Complaints and trends.)
- Management of Information (Confidentiality of records; timely submission of bills and documentation as required or requested.)
- Management of Human Resources (Systems for ensuring staff competency are in place; Background checks completed as required.)
- Safety/Infection Control (First Aid kit and other equipment is accessible and functioning properly; Proper infection control procedures are followed.)
- Medications (Medications are stored, managed, and administered properly.)
- Resident Treatment (Consumers are treated with respect and are afforded choices; There is a choice of activities for consumers—both in and out of home; General personal care and supports and services are provided acceptably, with sensitivity, and according to the consumer's Person-Centered Plan.)
- Resident Funds and Valuables (Funds and valuables are maintained accurately and according to licensing and contractual requirements, and according to generally acceptable practices.)
- Clinical Record Review
- Facility Policy and Procedure Review
- Facility Tour
- Interviews with Staff
- Interviews with Consumers/Families
- Interviews with Payor's Staff who are familiar with the Facility's Services
- Licensing/Certification Reviews
- Observation of Care
- Medicaid Claims Verification
- Compliance with General Terms of the Contract
- Incident Reporting consistent with CMHA-CEI [Incident Reporting Procedure 3.3.07](#). Incidents shall be report to the Payor within prescribed timelines and through use of CMHA-CEI's incident reporting web portal.

Registration for classroom trainings, virtual trainings, and NEW online test links can be found in the Training section of the CMHA-CEI website. You can also visit the CMHA-CEI Event Calendar to find the Zoom Recipient Rights Orientation schedule and registration links.		
A-Contract Residential Providers are required to set up staff profiles through the training unit's new system called Knowledge City. Non-Classroom trainings can be completed through this system. It is the responsibility of the provider to track staff initial and ongoing training compliance.		
Improving MI Practices trainings can be completed using the information in the How-To guide attached. Be sure to take the correct approved training by referring to the list included. Send proof of training completion to the Training Unit and they will add the completed training dates to staff's Knowledge City profile.		
Questions on Training Requirements can be sent to your Quality Advisor (QCSRR-QA@ceicmh.org) or to the training unit (training@ceicmh.org)
