CLINTON, EATON and INGHAM COUNTIES COMMUNITY RESOURCES

Community Mental Health Authority of Clinton, Eaton and Ingham (CMHA-CEI) does not endorse any particular organization or individual in the resource listing.

The staff has compiled this resource as a general resource to assist you in finding services available in the community. This directory is not meant to be the inclusive of services that exist in the community. Keeping information current is important to us, however it is difficult. Therefore, CMHA-CEI will not be held responsible for information that has changed. There is a much more comprehensive directory that can be accessed by calling 211.
